Available in leading supermarkets and retail outlets.

**Based on result of clinical study managed by Dermatologist. Result may vary.*

LION CORPORATION SINGAPORE

Established in 1891, LION has been dedicated to improving quality of life by helping consumers develop better lifestyle habits. One of the leading manufacturers of consumer goods, we are expanding our commitment to serve with the new SunoHada range of daily skincare products for sensitive skin. With SunoHada, we continue to make a difference in people's lives by redesigning their daily skincare habits: making it easier for them to manage their sensitive skin every day.
